

HOST A UNIQUE PARTY IN SPACE

The Planetarium is an exciting and untraditional place to host a company event, summer or Christmas party.

These can however take place in our exhibition area Made in Space and our Stair Gallery, where there is a choice of different lighting settings to create a very unique atmosphere. Imagine starting the party with a Big Bang or sitting among stars and black holes with music in the background.

Capacity

Up to 150 seated guests – Gala Dinner in Made in Space
Up to 600 reception guests throughout the house

Catering

In collaboration with Kerne Restaurant we offer mouth-watering canapés that are suitable to eat while mingling with the other guests.

We look forward to creating this experience for you and your guests.
